

PURPOSE

Reflecting Hope is the BUC's response to the GC's and AWR's initiative, Europe for Christ.

It fits within strategic priority 1 (reflecting Christ), strategic priority 4 (people), and evangelism cycle.

PURPOSE

Reflecting Hope is a Pilot initiative.

Transition evangelism from being one off events to a lifestyle (legacy building initiatives within communities).

Total member involvement in post-pandemic world to mobilise movement from hybrid culture.

OBJECTIVES

- 1. Fulfil BUC strategic priorities through this outreach initiative.
- 2. Create outreach resources for a 21st century post-Covid western society.

- 3. Mobilise the membership of the BUC to engage in ongoing curated community outreach activities.
- 4. Plant 5 "new" churches in unentered territories in the UK.
- 5. Launch one Centre of Influence.

USP (unique selling points)

1. BUC Strategy

Evidence of alignment with BUC Strategy - collaboration, reflecting Christ

3. National

Cross-UK Campaign.

Big impact and being part of something national.

2. Monitoring & Evaluation

Outline KPI's and metrics, noting that baptisms are not the only metric.

4. Timing

Biggest event after pandemic. Overdue, no nationwide campaign in over a decade.

USP (unique selling points)

5. Training

Training and resources from GC and other partners involved.

7. Value added

High product value, high quality delivery. Consistency in media and branding. Accessible. Languages. Launch with flagship trailer.

6. Total member involvement

Reignite membership.

Engaging with unreached groups within our diverse population and building membership/disciples.

Reclaim those who have become "recluse"
